

# FIRE ON THE EARTH

3.

*I wrote this song after an experience in Rome. I was convinced after my trip that God wanted the whole earth to know the reality of His love and that I had been called and sent to broadcast this to the world.*

*Wow...What a job to be Fire on the Earth.WILL YOU?  
"I came to cast fire on the earth, and how I wish it were already blazing!" - Jesus Christ*
