Suddenly radically a change is coming over me Leaving my life quite not the same Knocking me off the perch I was on Into a cocoon of love and warmth
My heart kitchen you've been fixing I'll learn to listen and stop twitching Changing, my heart is rearranging Creating inside a love it's raining
Maybe changing realigns my brain To the God of love I've been searching for My cocoon is full of change I'll never be the same

55 **A7** **A#7** **B9**

O ver-ly joy-ous-ly read-y to make the change- (hey!) Gon-na make the change
