

We Are Yours

Patrick Keady

Before one of our early Firestarter rallies, our youth were in a time of praise & worship, when someone read out this scripture: "One will say 'I am the Lords', and another will have written on their forearms 'I belong to the Lord'." Before long there were young people everywhere with this statement scrawled all over their bodies. It looked awesome!

CHORUS

We are Your gen - er - a - tion we are Yours.

We are our Fa - ther's child - ren we are Yours

we be-long to the Lord _____ to Bridge **Esus**
