

137 MARY

CHORUS:

Ma-ry, you knew how to list-en to
 what our Fa-ther had to say. Help us to
 un-der-stand what He is say-ing to us in the things that
 hap-pen ev'-ry day.

VERSES:

1. You kept His sec-ret in your heart.
 2. Each of us is called to some-thing special.

1. Peop-le would have scoffed at you said that you were strange. You
 2. Deep with-in our hearts the ans-wer lies.

1. must have wondered where His plan would lead. You
 2. we're not sure which way to turn when things go wrong -

1. trust-ed and you be-lieved.
 2. help us search with you.
