

## WITH YOU I AM

Music by Arnold Strals

Words based on Psalm 73

with you i am — always with you  
with you i am — always, always  
tell me what is my life without you  
when you're not there, no, no,  
tho' my body is broken down — and  
tho' my heart dies —  
you are my rock

with you i am — always with you  
with you i am — always, always  
what is heaven to me so far away  
from you — yeah, yeah  
drifting further away from you —  
i am no one — you are the one.  
with you i am — always with you  
with you i am — always, always
